JUNE - JULY - AUGUST

ABOUT EMS & Summer Camp

Every summer, EMS Language Centre welcomes students from around the world, creating a truly international environment where students practice English naturally, gain confidence, and build friendships across cultures.

With over 15 years of experience, our Summer Camp program is designed for children (ages 6–13), teenagers, and young adults (14+). Classes run 5 days a week, Monday to Friday, and include 4 hours of Intensive General English and 2 hours of Extra Learning Activities. This learner-centered approach helps students improve all language skills while developing teamwork and social competence.

Located in the city center of Kuala Lumpur, near the Petronas Towers, EMS offers a modern learning environment with 37 fully equipped classrooms for adults and 10 dedicated classrooms for children, supported by a team of professional international teachers.

Upon arrival, each student takes a placement test and is placed into one of 12 English levels, ensuring personalized learning. Over one month of intensive study, students typically progress by half an English proficiency level.

As an international English school with 15 years of experience, EMS provides complete support throughout the students' stay in Malaysia, including accommodation, daily lunch, transportation for all scheduled trips, and on-site supervision during excursions.
